3. Indian Wells Valley Groundwater Authority (IWVGA)

The Committee discussed the August 15, 2019, IWVGA Regular Board Meeting and actions taken. Topics to discuss at the September IWVWD Regular Board meeting were decided and include:

- The Proposition 1 grant funding 2nd reimbursement was approved on 08/28/2019, for a total of \$352,055.21. Additionally, an update on invoice #3 will be given.
- Severely Disadvantaged Communities (SDAC) Program update regarding the WaterWise Consultants, Leak Detection, and status of the inquiry to the Department of Water Resources (DWR) regarding a possible extension of the grant completion date.
- Updated Well Registration Form has been made available to the public on the IWVGA Website.
- Update of the Capitol Core Presentation on Imported Water Supplies.
- Updated Pro-Forma.

4. Brackish Water Study

Committee discussed the invoice package currently being assembled by Wade Major, of Aquilogic. Package submission is projected for the end of next week.

BESST Inc. will be taking video footage of both BR-6 and BR-10 wells, to see if they can serve as potential conduits of water in the future.

5. Alternate Water Sources

Committee was updated on the status of the monitor well in the Southwest part of the basin to be funded through a grant through DWR. DWR has approved a well to be drilled in next year's round of funding, though the final location has yet to be determined.

The well site, which must be cleared by the BLM, will target alignment with the SkyTEM flight path in order to validate the data collected.

6. Future Agenda Items
None

7. Adjournment
Meeting was adjourned at 2:27 p.m.
